

Challenge Retreat

July 1 - July 6

Challenge blends the best of camp, conference and mission trips. This blend creates a catalytic environment that moves beyond the mountaintop moment to building missional momentum. We will join 10,000+ youth in Kansas City to worship God together! Learn more about this retreat at <https://www.challengeconference.org>.

Youth from Central Church and Living Hope, along with their friends, are invited to experience the life changing speakers, concerts, and other events at Challenge.
